MEMORANDUM FOR: DCI

FROM: EA/DCI

1. Admiral Holloway, who is chairing the Vice President's Task Force on Terrorism, called and when you were not available asked for me. He is looking for people for his task force:

- Senior Review Group: Wants one CIA body at the Assistant Secretary of State level. This SRG will meet on call only, not permanently detailed.

- Staff Operating Group: This is to be composed of 6-10 detailees from government, at the Major to Colonel level, who will be detailed to SOG for six months full-time, probably working in one of the townhouses on Lafayette Square. He said he thought 4 of the 6-10 would come from Defense, already has someone from the Coast Guard. The person doesn't have to be knowledgeable about terrorism, but must be smart, able to communicate and write well, able to operate under pressure. He wants one person from CIA.

2. Holloway said he was not twisting anyone's arm, but that by having representation on these two groups Agency interests would be protected. A moment later he said he was resorting to "press gang" tactics, and tried to get a commitment from me for the two CIA people, to which I said only you could make that decision. I said we would get back to him. His number is 466-5388.
